INFORMATION BULLETIN

EDD Employment Development Department

State of California

WORKFORCE INVESTMENT ACT

TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: JTA SYSTEM VERSION 4.21 RELEASE

The purpose of this information bulletin is to inform you that the Workforce Investment Division will release the Job Training Automation (JTA) System Version 4.21 on the weekend of June 21, 2002. The JTA system software will be available beginning Monday, June 24, 2002. A detailed description of the software changes is attached. There are no Welfare-to-Work programming changes. However, standalone JTA users must load the upgrades to remain operational.

Note To Timeshare JTA System Users—This release will be installed over the weekend. Please do not access your system from Friday, June 21, 2002, at 6 p.m. through Monday, June 24, at 8 a.m.

Note To Standalone JTA System Users—The release files can be accessed from the Shasta County Private Industry Council's server site on Wednesday June 26, 2002. Release 4.20 must be installed prior to the installation of this release.

This release includes new programs as well as additions and enhancements that are a result of program requirements and calls made to the JTA Help Desk.

Should you have any questions regarding this JTA system release, please call the JTA Help Desk at (916) 653-0202.

/S/ BILL BURKE
    Chief
    Workforce Investment Division

**WORKFORCE INVESTMENT ACT (WIA) RELEASE NOTES
LOCAL WORKFORCE INVESTMENT BOARD RELEASE 4.21**

WIA System

Programs Modified:

Log #5423   LWIA (Load WIA Activity)

Modify program to no longer allow activities to be added for clients that have been exited. Program now displays error message "Cannot change, application has been terminated."

Log #5465   XLWPR (Extract and Calculate Local WIA Performance)

Modify program to add an optional grant code field to option screen and processing for data. Program stores only minimum run numbers and maximum run numbers for quarterly runs. Program will only store zero records for wia_perf_char = "AL."

Log #5467   PLWPD (Print Local WIA Performance Detail Report)

Modify program to allow specific WIA Grant Code selection in option screen. Program will display grant code description to report header instead of grant group description if grant code is entered in option screen.

Log #5469   PLWRS (Print Local WIA Performance Roster)

Modify program to allow specific WIA Grant Code selection in option screen. Program will display grant code description to report subheading instead of grant group description if grant code is entered in option screen.

Log #5471   PLWPS (Print Local WIA Performance Standards Report)

Modify program to allow specific WIA Grant Code and WIA Grant Group selection in option screen. Program will display grant code description or grant group description to report header.

Log #5473   PLWPO (Print Local WIA Performance Outcomes Report)

Modify program to allow specific WIA Grant Code selection in option screen. Program will display grant code description to report header instead of grant group description if grant code is entered in option screen.

Log #5482   PVWP (Print Local Veteran's WIA Participant Report)

Modify program to fix spelling error in the Veteran's WIA Participant Report in section III-I and section V-C.

Log #5486   XLWPR (Extract and Calculate Local WIA Performance)

Fixed program to check for wia_folup_result = 08 or 09.

<u>Scripts</u>:

A script will be run to delete all wia_lwib_std_rsult records where the numerator, numerator2 and denominator equal zero and the wia_perf_char != "AL".
A script will be run to delete all wia_lwib_std_rsult records for quarterly runs, retaining the MIN and MAX runs for all other keys.
